

Digital Lending Service Providers

The below Digital Lending Service Providers of Kotak Mahindra Bank are agents of the bank engaged to generate Business Loan sales leads for the Bank.

After the receipt of the lead, the Bank shall approach you for completion of all loan applications. Once the application is received, the Bank shall assess the request for loan in line with Bank's internal policy and its parameters.

Digital Lending Service Providers shall not charge any fee directly or indirectly from customer for any kind of lead generation, loan application / disbursement at any point of time of loan application or any other services related to loan applied with Kotak Mahindra Bank. All fees and charges related to the loan would be mentioned on the application form and shall be paid directly to the Bank by the borrower.

For all the charges related to Business Loan, please refer to the link below:
